

Tinsmiths’ Footstools are available in two sizes and in your choice of fabric. Each stool has a beaded edge and is fitted with brass castors on solid wood legs (a shorter, simpler profile on the smaller table, a taller more complex turned shape for the larger stool).

Here is a guide to fabric required to cover the two sizes. Patterned Fabric requires a little more detailed investigation and may require larger amounts of fabric to accommodate a particular centre to the design. We are happy to calculate this, just [e-mail](#) your requirements. From receipt of your order, allow three weeks making time. The large footstool is for collection only, the medium can be delivered via courier.

Size of Footstool/table	Fabric Needed (metres)	Dimensions (centimetres)	Casters	Making Cost, excluding fabric	Extras – Piping Extra fabric required
Medium	1.0	90 x 60 x 30	Dark wood and brass	£360	@ £14.00/mtr.
Large	1.5	120 x 80 x 45	Light wood and brass	£450	@ £14.00/mtr.
